Thank You!

A Message from Council Member Margaret Peterson

December 31, 2007, marks the culmination of my 17 years of service on the West Valley City Council, the longest term served in the City's 27-year history.

Thank you for your support and votes!

My desire to support West Valley City started years ago. Prior to the city council, I served on the West Valley City Planning Commission for 4 years, and chaired the Handicap Parking Volunteers for several years. Ten years ago, I started the Community Crime Prevention Coalition, which led to the formation of the Neighborhood Services Department.

A strong commitment to our people will not end. Plans are already in the works to represent the City on various committees, and I continue to represent the City as Vice Chair of the Jordan Valley Water Conservancy District. Also, my work with the Community Education Partnership of West Valley City, a non-profit corporation I helped organize five years ago will continue with great vigor.

It was a very difficult decision to retire from the Council. We have accomplished a great deal during these years to make the City better in many ways. I have worked at national, state, and local levels in numerous arenas to represent you and the City. Sacrificing vacation days and time with family proved to be very productive for the City, however, it is time to let someone else have an opportunity to serve.

A farewell reception will be held at City Hall on November 19, from 4:00 to 6:00 p.m. I look forward to seeing residents and co workers I have associated with for the past 20 years.

Don't forget - vote for your new council member on Tuesday, November 6!

2007 General Election Meet the Candidates Night

7:00 p.m. Tuesday, October 30, 2007

**Utah Cultural Celebration Center
(1355 W. 3100 S.)**

Animal Control and Code Enforcement Recognized with Quarterly Division Award

The West Valley City Employee Advisory Committee recently honored the Animal Control and Code Enforcement Divisions with the Quarterly Division Award. Animal Control and Shelter Care are two of the most difficult, thankless jobs in West Valley City. However, one would not know this from our team that works at the shelter and on the road. The officers work tirelessly to care for the animals in the shelter, and to help people be responsible pet owners. One of their responsibilities is to educate the public and even offer a “second chance” for the animals entering the Animal Shelter. Any shelter can end the suffering of animals, but it takes a special group to take the time to let the public know what other options are available. Our Officers work with outside agencies to promote animals to be adopted on and off site. They have literature that helps with the behavior of animals, how to care for the animals, information to help keep the population and welfare of the animals under control. The Code Enforcement unit has also been very effective. The “Operation Saturation” program, (pro-active officer enforcement) has steadily increased since the program began in 2003. Currently, the officers initiated 42.1% of the total calls received, demonstrating they are actively involved in the neighborhoods identifying and enforcing health and safely violations. We admire these employees for their professionalism, commitment to excellence, solving problems day in and day out, and working in a very difficult environment. the Employee Advisory Committee Quarterly Division Award.
